SUPPLEMENTAL SHEET.

SERIAL NO. 4480

IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA.

APPLICATION FOR PERMISSION TO CHANGE POINT OF DIVERSION OF THE  
WATERS OF THE STATE OF NEVADA.

Date of first receipt and filing in State Engineer's Office, JUN 27 1917.  
Returned to Applicant for correction, JUN 29 1917  
Corrected application filed,

The undersigned, HARRY F. GORMAN, of Halleck, County of Elko, State of Nevada, hereby makes application to change the point of diversion of waters heretofore appropriated and beneficially used as hereinafter shown:

I. The source of the water supply of the proposed change is Lamoille Creek in the County of Elko and State of Nevada.

II. The quantity of water desired to be changed is three and two-tenths (3.2) cubic feet per second.

III. The water is to be used for irrigation and domestic purposes.

IV. The water is to be diverted from its source at the following point:- Southeast quarter of the Southeast quarter (SE $\frac{1}{4}$  of SE $\frac{1}{4}$ ) of Section Thirty-four (34), Township Thirty-five (35) North, Range Fifty-eight (58) East, M.D.B. & M.

V. The existing point of diversion under the former appropriation is in the Southwest quarter of the Northwest quarter (SW $\frac{1}{4}$  of NW $\frac{1}{4}$ ) of Section 1, Township 34 North, Range 58 East, M.D.B. & M.

VI. No water has been used under the present point of diversion because the point of diversion named does not touch the creek, but arriant has used water beneficially from Lamoille Creek through McIntyre's Ditch.

VII. The number of acres heretofore irrigated is approximately forty (40) acres.

VIII. The estimated cost of the proposed works is approximately one hundred dollars.

IX. The estimated time required to construct the works is one month.

X. Irrigation will begin about April of each year and end about September of each year.

XI. The water above referred to has been heretofore used during the months of April, May, June, July, and August of each year.

Harry F. Gorman, Applicant.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit, to change the point of diversion of the waters of Lamoille Creek as granted under permit No. 2980, is issued with the understanding that no prior rights will be affected thereby. It is further understood that the same limitations and conditions imposed in said permit No. 2980 shall be applicable to this permit.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Three and two-tenths (3.2) cubic feet per second.

Actual construction work shall begin on or before June 13th, 1918.

Proof of commencement of work shall be filed before July 13th, 1918.

Work must be prosecuted with reasonable diligence and be completed on or before July 13th, 1918.

Proof of completion of work shall be filed before August 13th, 1918.

Application of water to beneficial use shall be made on or before June 13th, 1922.

Proof of the application of water to beneficial use must be filed with State Engineer on or before July 13th, 1922.

WITNESS MY HAND AND SEAL this 13th day of November, 1917.

*Proof of labor filed* JUL 2 1918  
*Map filed* DEC 26 1918

*Proof of completion of work filed* APR 23 1920

*J. H. Searles*  
State Engineer.

The time for completion of work as granted by the within permit is herewith extended to and including February 28th, 1919, and the time for filing proof of completion of work with the State Engineer is extended to and including March 28th, 1919.

Dated this 2nd day of July, 1918.

*Seymour Case*  
State Engineer.

The time for completion of work as granted by the within permit is herewith extended to and including February 28th, 1920, and the time for filing proof of completion of work with the State Engineer is extended to and including March 28th, 1920.

Dated this 1st, day of March, 1919.

*Seymour Case*  
State Engineer.

The time for filing proof of beneficial use of water and cultural map under this permit is herewith extended to and including July 13, 1924.

Dated this 19th day of September, 1923.

*Robert Allen*  
State Engineer.

Cancelled SEP 29 1954 because of failure of applicant to comply with the provisions of permit
